

Rhodes Vendors

03/23/2026 2:28 pm EDT

Rhodes park is run as a lottery system. all potential lottery submissions MUST have a mobile food service license with the office of public health.

Rhodes Park Vendor Lottery is in full swing! Here's some info to help out whoever when vendors ask questions (because they will)

- We are doing 2 13-week sessions at \$500 per session
- Selected vendors can pay in person (there's a button on POS in Active) or online – if they are paying online they know they have to email me to get it on their account.
- 8 vendors will be chosen
- Vendors will only be chosen if they are licensed mobile food vendors with the health department

Payment for the first session is due THIS Wednesday the 25th by 5pm and the first session runs from April 12th to July 5th.

Second session lottery will open Monday June 8th, close on Friday June 19th, vendors will be notified on Monday June 29th, and payment will be due Thursday July 2nd.
